

10x21 DPC I Silver

- Compact, ultra-light design (170g only) fits into virtually any pocket
- Stylish contemporary design
- Large, centre-focus knob for fast and easy focusing
- 10x magnification
- Anti-reflective lens coating
- Built-in dioptic correction adjusts to individual eyesight

Don't miss the action!

When visiting the sports matches and you are not in the front row the DPC I Series brings you all the exciting actions right in front of your eyes. And because it has built-in dioptic corrections you may take off your glasses.
