

LH-40B Lens Hood

- Stylish and functional lens hood
- Suitable for the M.Zuiko Digital 45mm F1.8
- Silver finishing fitting to the lens design

Round lens hood in silver finish

The LH-40B is a round lens hood developed specifically for the M.Zuiko Digital 45mm F1.8 and can be mounted to keep extraneous light from entering the lens on backlit shots. Additionally the LH-40B has a silver finishing to perfectly fit to the silver design of the lens.
