

M.Zuiko Digital 17mm F1.8 Black

- Superb image quality for brilliant photos
- High-speed AF with MSC technology
- High-specification design with metal housing
- Image stabilisation mechanism with Olympus Micro Four Thirds cameras
- Snapshot focus mechanism
- Premium build quality with metal housing
- ZERO (Zuiko Extra-low Reflection Optical) coating for low-reflectivity
- Excellent low-light capabilities and stunning bokeh

High-performance wide-angle lens

Outstanding image quality in a lightweight and extremely compact form: the M.Zuiko Digital 17mm (34mm*) lens brings along a large, ultra-bright F1.8 aperture for tripod-free shooting in low-light conditions as well as the unique Fast Focus Clutch mechanism. With this lens's advanced Movie & Stills Compatible (MSC) autofocus and special ZERO coating, you can capture the high-quality results you crave.

All M.Zuiko lenses are compatible with the entire range of Olympus PEN and OM-D cameras as well as other MFT cameras.
*35mm equivalent
